

Instructions for taking the BEACON Web Based Training Courses

Web Browser

The BEACON Web Based Training (WBT) courses are optimized for and designed to run in the Internet Explorer (IE) browser. Functionality and features in the courses may not operate properly in different web browsers. For the best learning experience, only open the courses in IE.

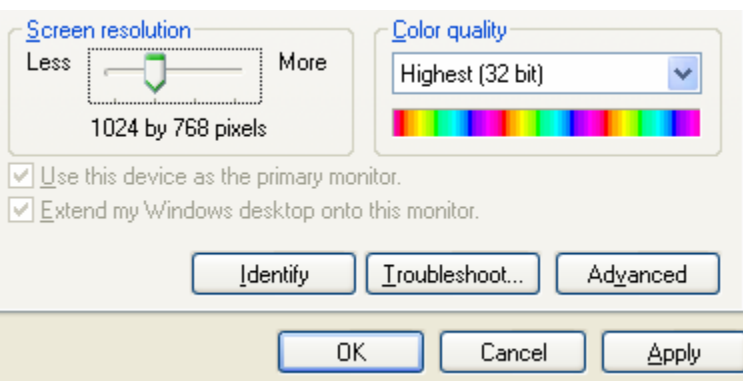

PC Monitor Resolution

BEACON WBT courses are designed for a screen resolution of 1024 by 768. While the courses can be taken in other resolutions, the display could become unbalanced or require scroll bars for navigation.

Follow these steps change monitor resolution:

1	Open Display in Control Panel.	 Display
2	On the Settings tab, under Screen resolution , drag the slider to 1024 by 768, and then click Apply .	
3	Once your screen resolution changes, you have 15 seconds to confirm the change. Click Yes to confirm the change; click No or do nothing to revert to your previous setting.	
4	When prompted to apply the settings, click OK . Your screen will turn black for a moment.
